Instructions: "The local mental health authority or its designee responsible for the care of a patient under an order of commitment for an indeterminate period, shall at six-month intervals reexamine the reasons upon which the order of indeterminate commitment was based. If the local mental health authority or its designee determines that the conditions justifying that commitment no longer exist, that local mental health authority or its designee shall discharge the patient from its custody and immediately report the discharge to the court. If the local mental health authority or its designee determines that the conditions justifying that commitment continue to exist, the local mental health authority or its designee shall send a written report of those findings to the court. The patient and his counsel of record shall be notified in writing that the involuntary commitment will be continued, the reasons for that decision, and that the patient has the right to a review hearing by making a request to the court. Upon receiving the request, the court shall immediately appoint two designated examiners and proceed under Subsections (8) through (10)." UCA 62A-15-631(11)(c) (2002)
